

FOOTSTEPS OF PAUL IN GREECE JULY 1-13, 2024 WITH IWS

*LED BY DR. AMY DAVIS ABDALLAH
AND MR. GHIATH ABDALLAH*

Greece is an enchanting destination whose rich and ancient history is important to all civilization. From the volcanic islands to the mountainous Peloponnese to the fertile plains in the north, the terrain is both rugged and inviting. For the Christian, Greece is rich. Paul first proclaimed the Gospel to Europe in Philippi, gave his most famous sermon in Athens in sight of the Parthenon, and had a close relationship with the church in Corinth. In Greece, the Orthodox Christians remained faithful and strong in spite of the years of Ottoman occupation. The majestic Cathedrals, the multiple monasteries, and the biblical sites all offer the traveler a deep and unparalleled spiritual experience. Greece never disappoints and all who visit once long to visit again.
